Wedding Package & Pricing

All prints printed on Professional paper with Lustre Coating...Lustre Coating is a clear, protective coating that will eliminate fingerprints and serve as a protective coating for your image...different papers and finishes like Canvas or Metallic are available. Matted and framed prices are available upon request.

I will have your pics posted on my website 6 to 8 weeks from your wedding day...you will be able to look them over and decide what prints you would like to have for your Spiral Bound Proof Book.

Proofs on my site and in the proof book are generally quick edits...all printed enlargements and Coffee Table Book prints will be edited fully before they are printed.

Here is an example of what the Spiral Bound Proof Book will look like...

ALL PRICING IS SUBJECT TO CHANGE WITHOUT NOTICE!
